9 UNITED STATES OF AMERICA,

2:08-cv-1200-LDG-LRL

10 Plaintiff,

ORDER

11 v.

12 GUY W. PARKER,

13 Defendant.
14

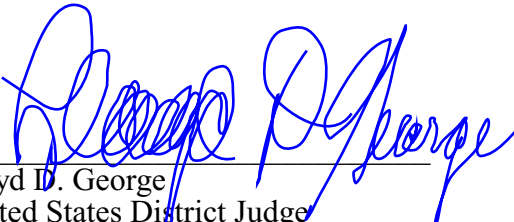

15 By order dated September 24, 2009 (#65), this court granted the United States' motion for
16 summary judgment. In its order, the court rejected Parker's contention that the contracting officer
17 lacked authority, and determined that Parker had failed to raise an issue of fact regarding whether
18 the contracting officer's decision was final. By order dated September 24, 2010 (#83), the court
19 rejected Parker's motion for reconsideration based on the finality of the subject decision and
20 Parker's failure to appeal it. On that date, the court also entered final judgment in favor of the
21 United States (#84). On October 31, 2011, the court denied Parker's Rule 10(b)(4) motion to
22 vacate final judgment for being void, and to dismiss for lack of jurisdiction (#96). The court has
23 also found Parker in contempt of court and imposed sanctions for his failure to comply with the
24 order of the court to answer post-judgment interrogatories (#112).

25 Parker has filed a notice of motion to vacate judgment to return GFP equipment, etc. (#102,
26 response #103, reply #104), and a self-styled judicial notice of adjudicative fact Creech AFB

1 Predator MTT Equipment Inventory, etc. (#113). Parker's notice to vacate judgment is repetitive
2 of his previous motion to vacate judgment which was previously denied by the court. Parker raises
3 no other grounds of merit in support of his most recent motion to vacate judgment. Accordingly, it
4 will be denied. In addition, Parker's notice to vacate judgment repeats claims previously made and
5 rejected, and therefore will be denied. Parker's contemptuous conduct has yet to be purged, while
6 at the same time he continues to seek redress from the court. If Parker files further papers
7 containing repetitious or frivolous claims, the government may in its discretion file a motion for a
8 pre-filing injunctive order and other sanctions against Parker as a vexatious litigant.

9 THE COURT HEREBY ORDERS that Parker's notice of motion to vacate judgment to
10 return GFP equipment, etc. (#102), and a self-styled judicial notice of adjudicative fact Creech
11 AFB Predator MTT Equipment Inventory, etc. (#113) are DENIED.
